Forest plot of pooled associations for mortality outcome

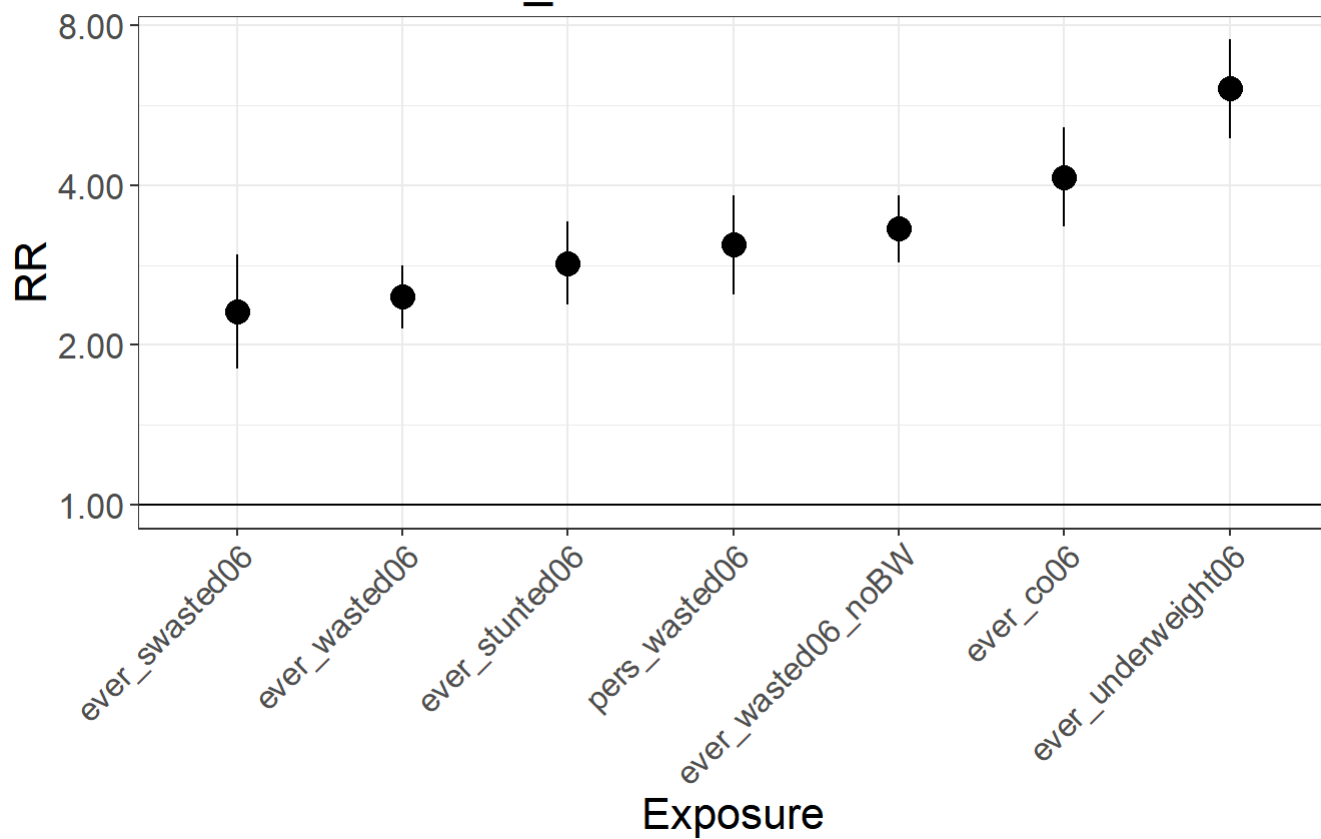

Forest plot of pooled associations for pers_wasted624 outcome

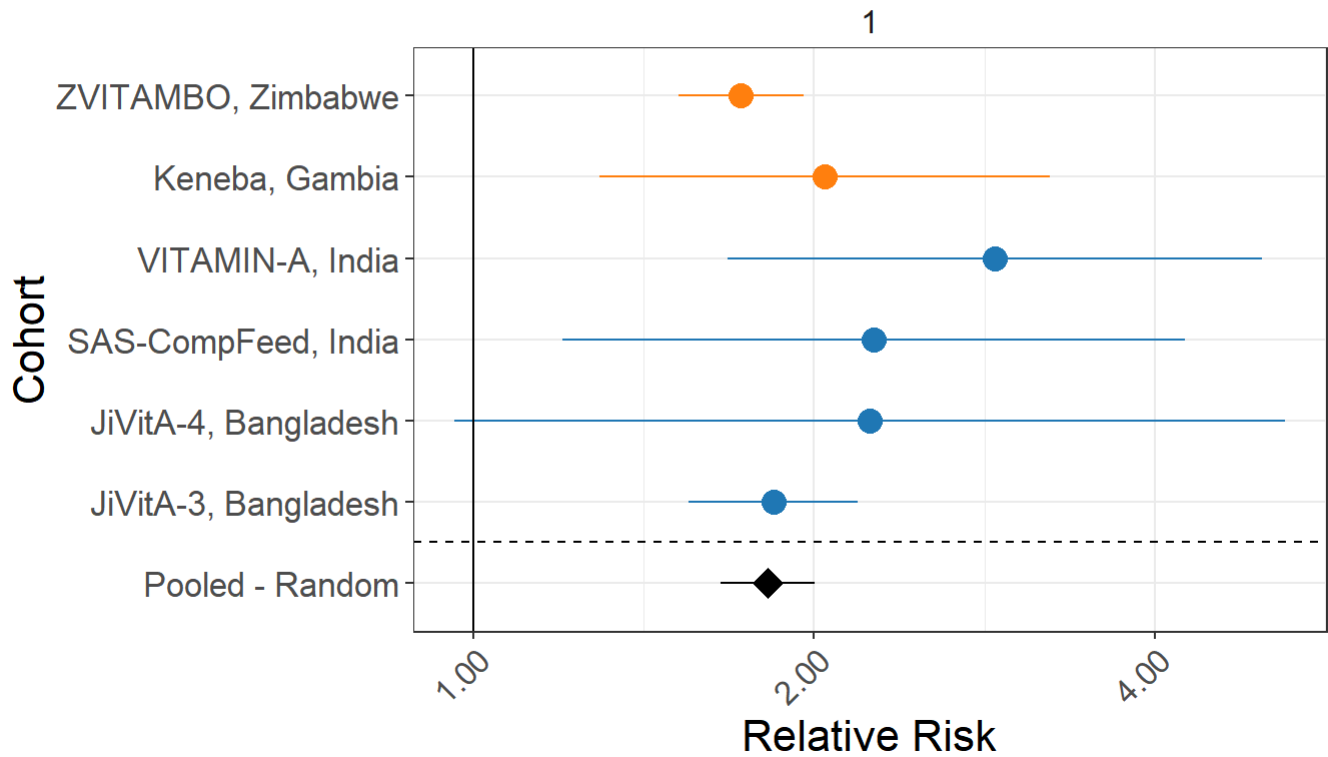

Forest plot of pooled associations for

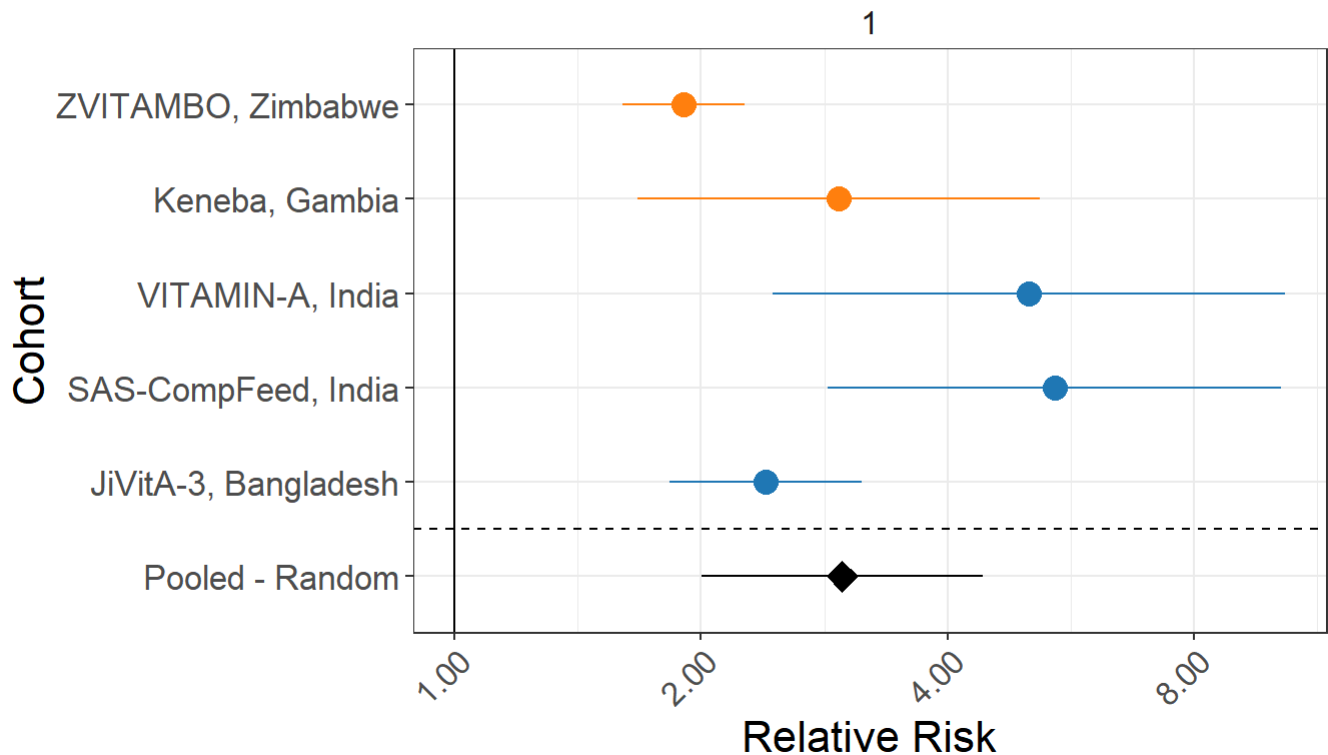

Forest plot of pooled associations for
co_occurrence outcome

Forest plot of cohort-specific associations for mortality outcome and ever_wasted06 exposure

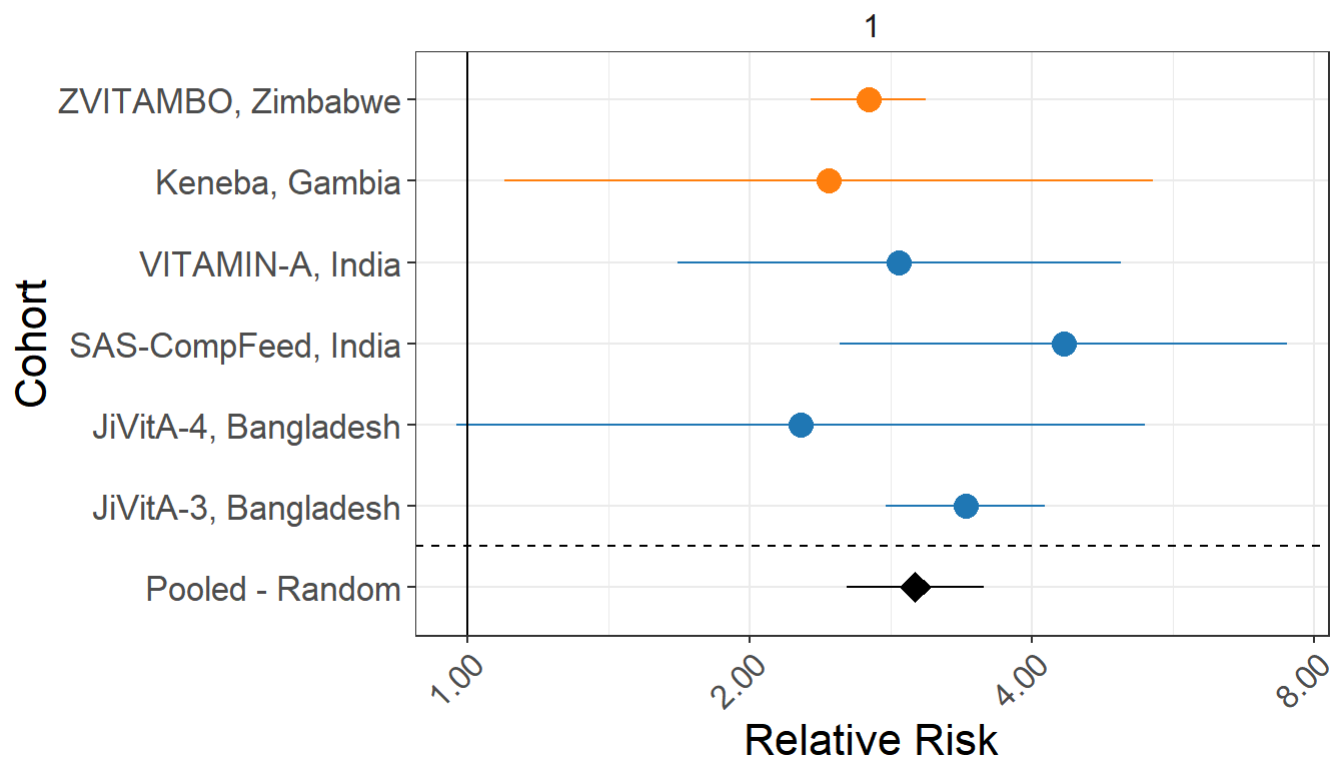

Forest plot of cohort-specific associations for mortality outcome and ever_swasted06 exposure

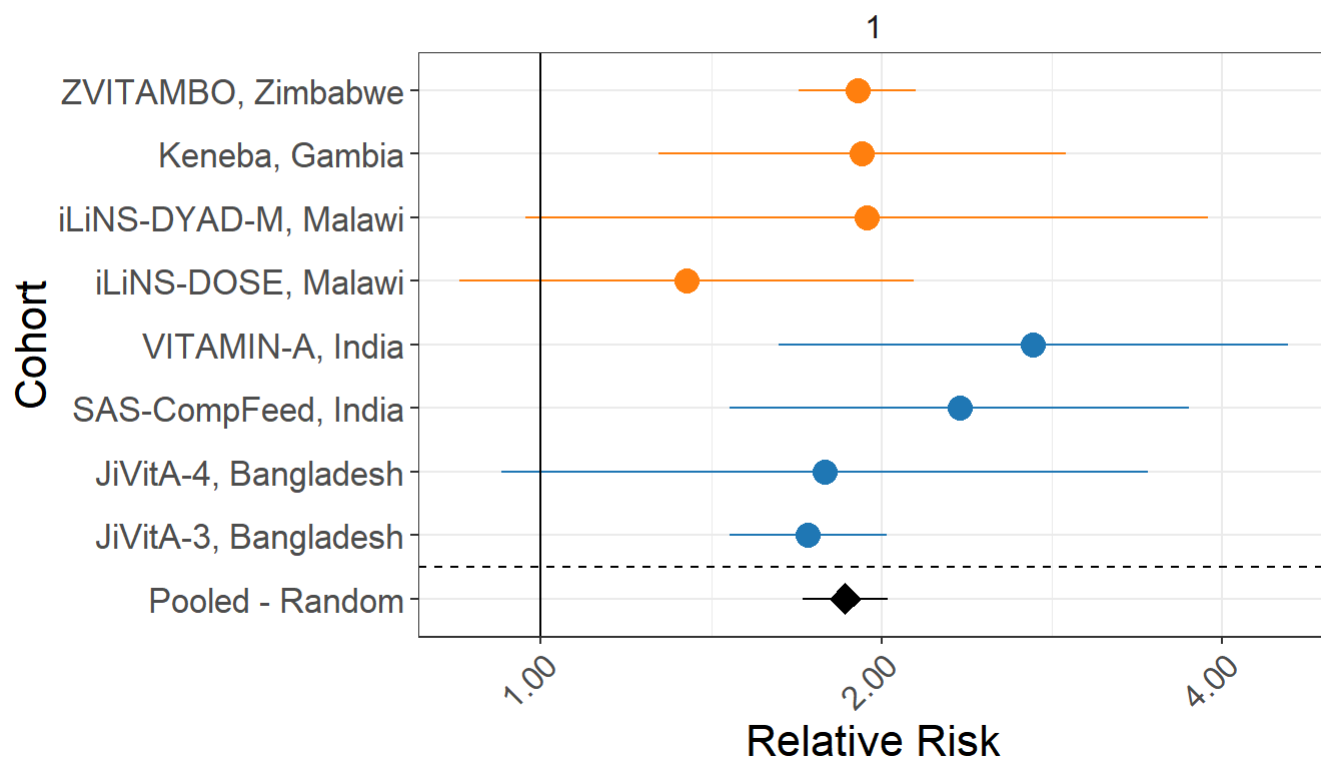

Forest plot of cohort-specific associations for mortality outcome and ever_wasted06 exposure

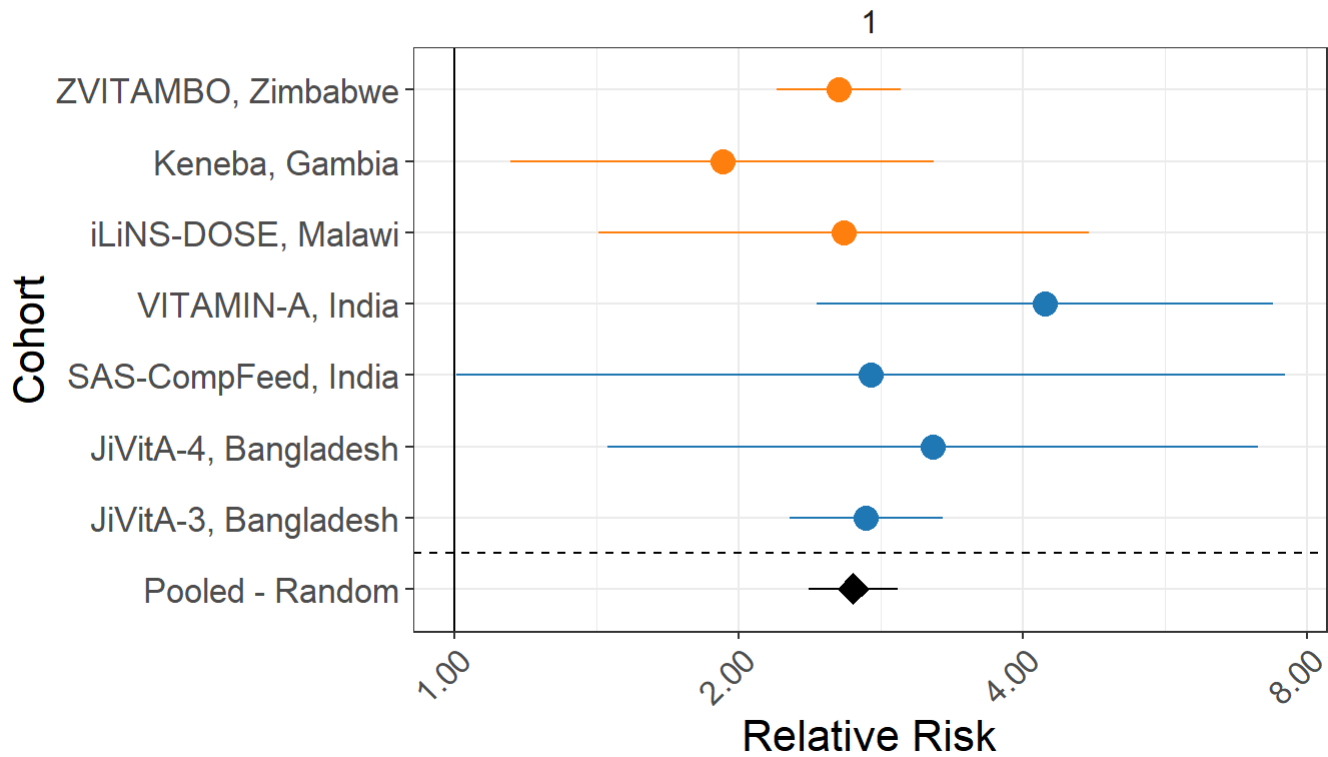

Forest plot of cohort-specific associations for mortality outcome and pers_wasted06 exposure

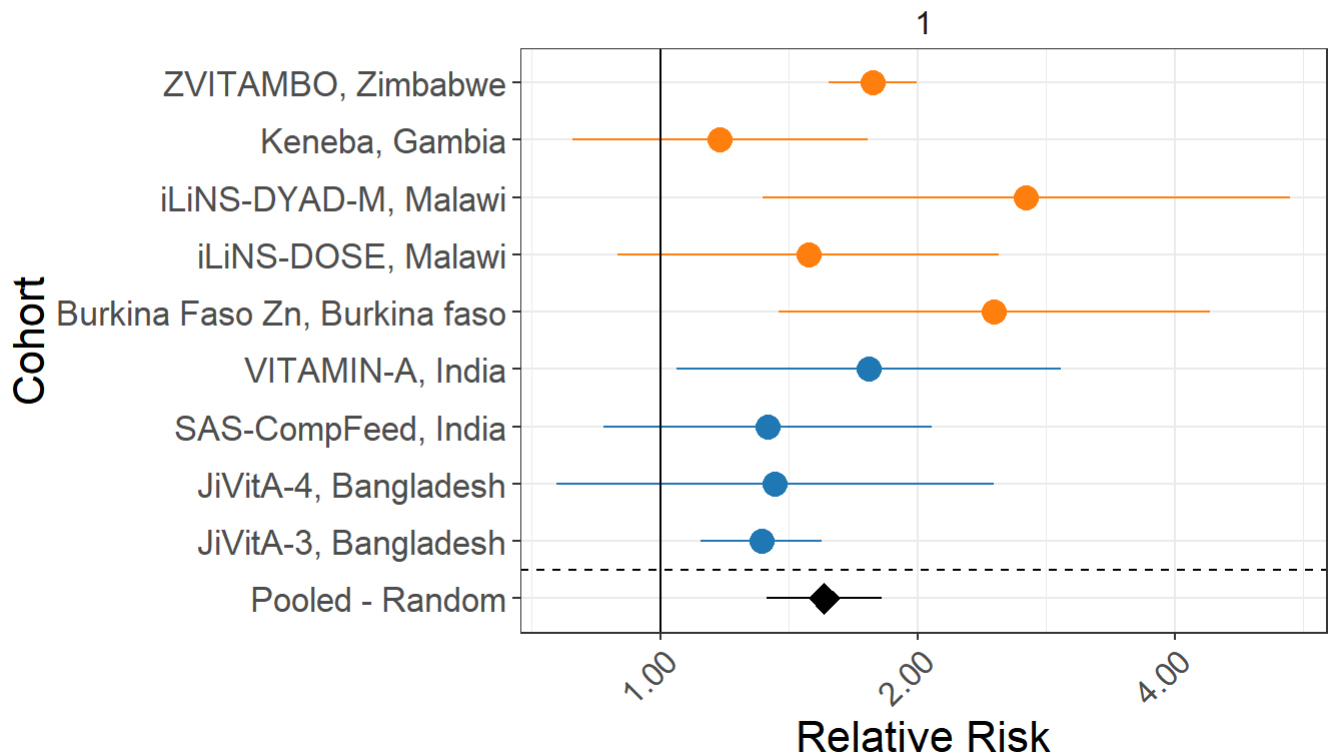

Forest plot of cohort-specific associations for mortality outcome and ever_stunted06 exposure

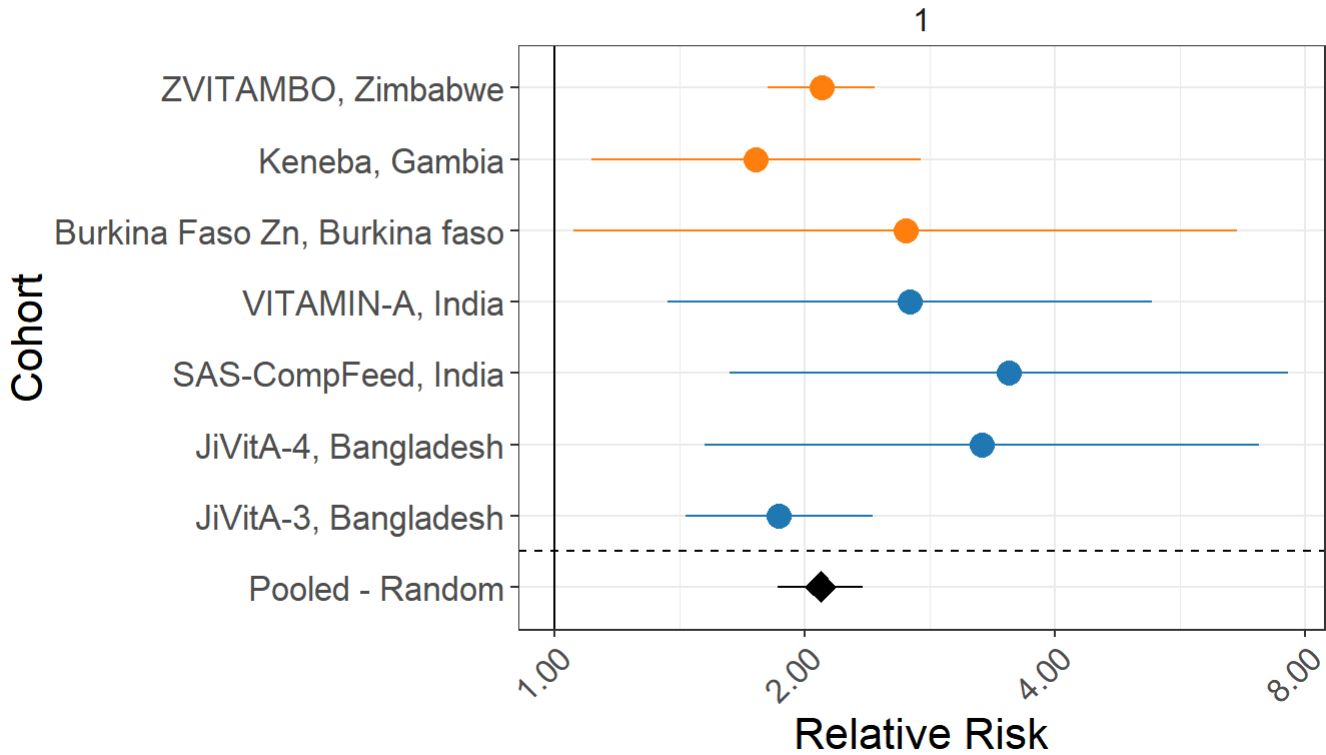

Forest plot of cohort-specific associations for
mortality outcome and
ever_sstunted06 exposure

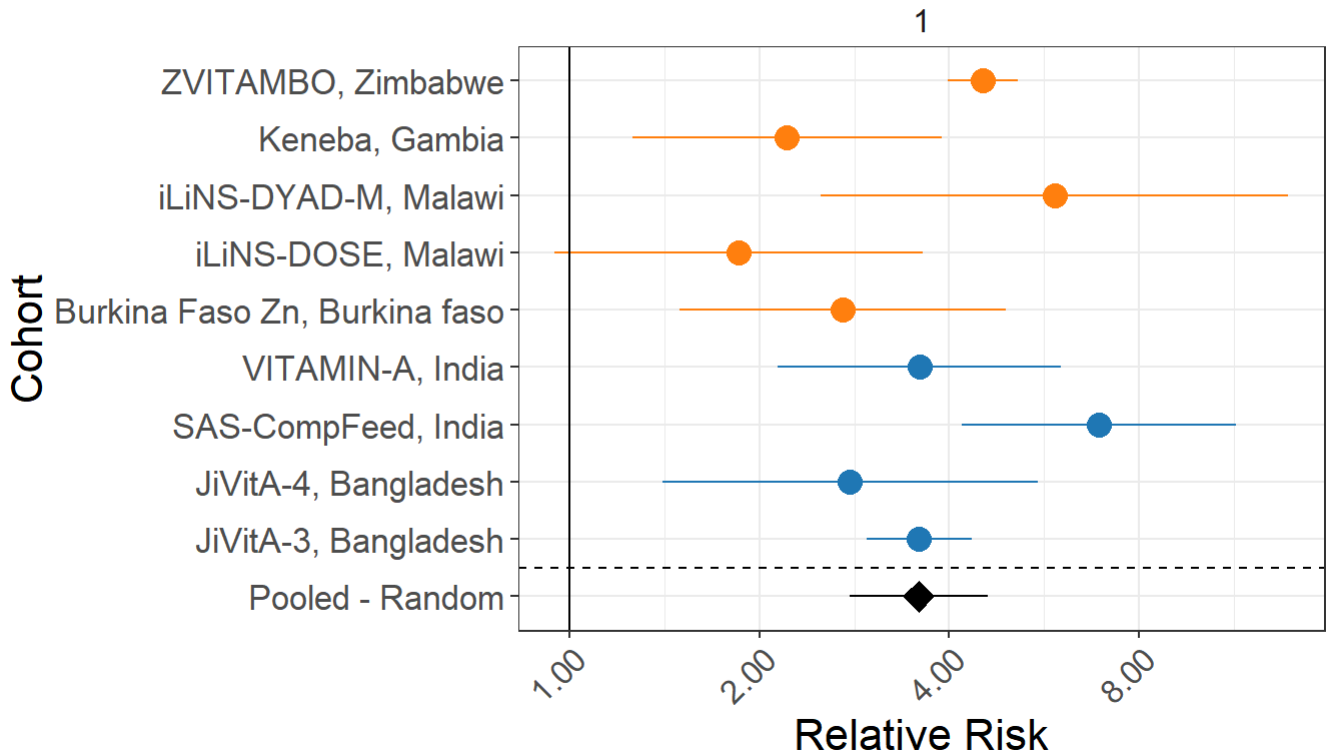

Forest plot of cohort-specific associations
mortality outcome and
ever_wasted024 exposure

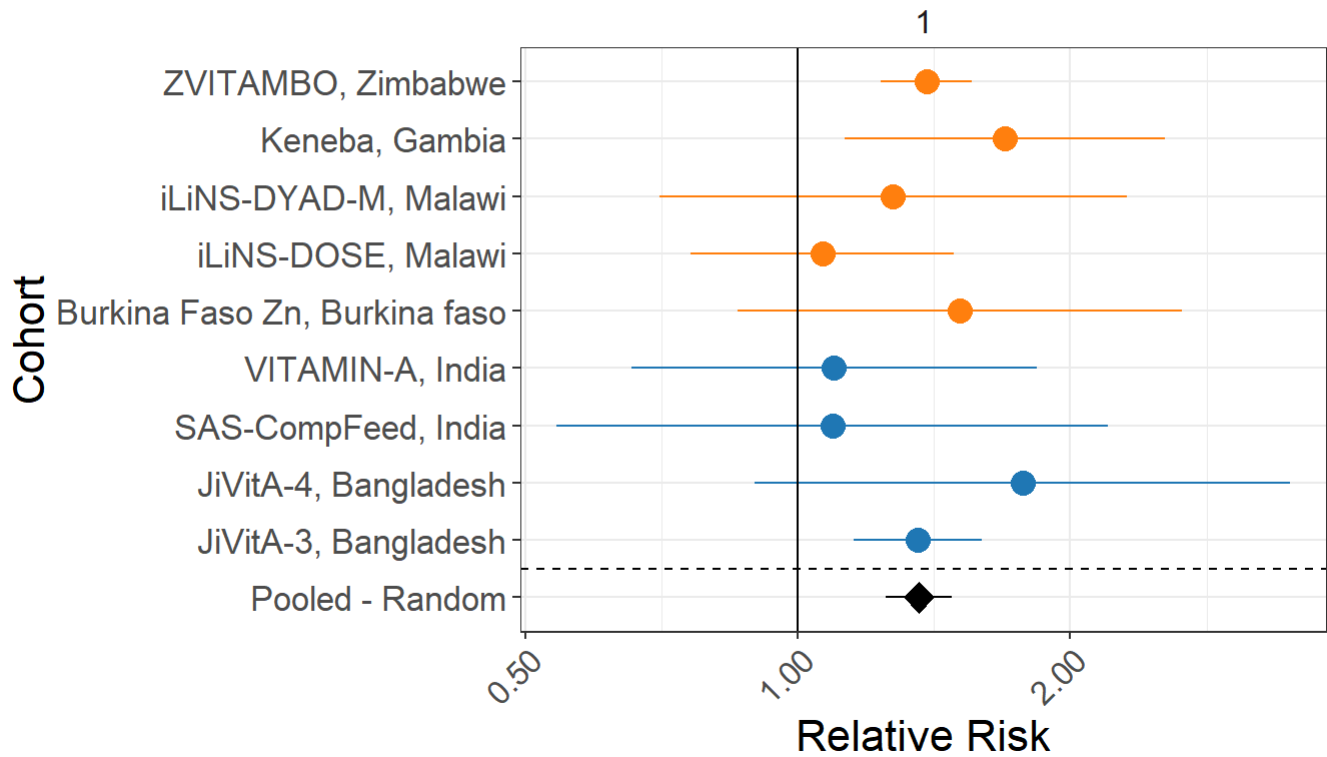

Forest plot of cohort-specific associations
mortality outcome and
ever_swasted024 exposure

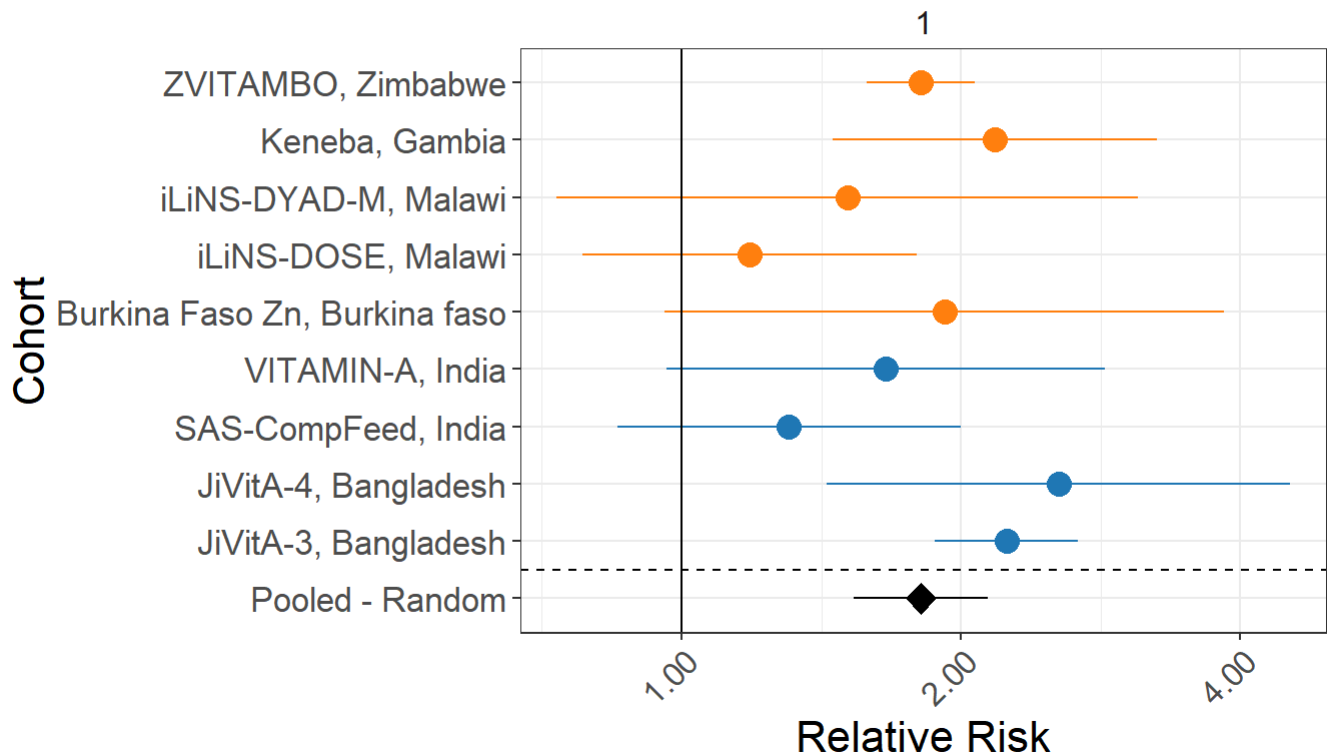

Forest plot of cohort-specific associations
mortality outcome and
pers_wasted024 exposure

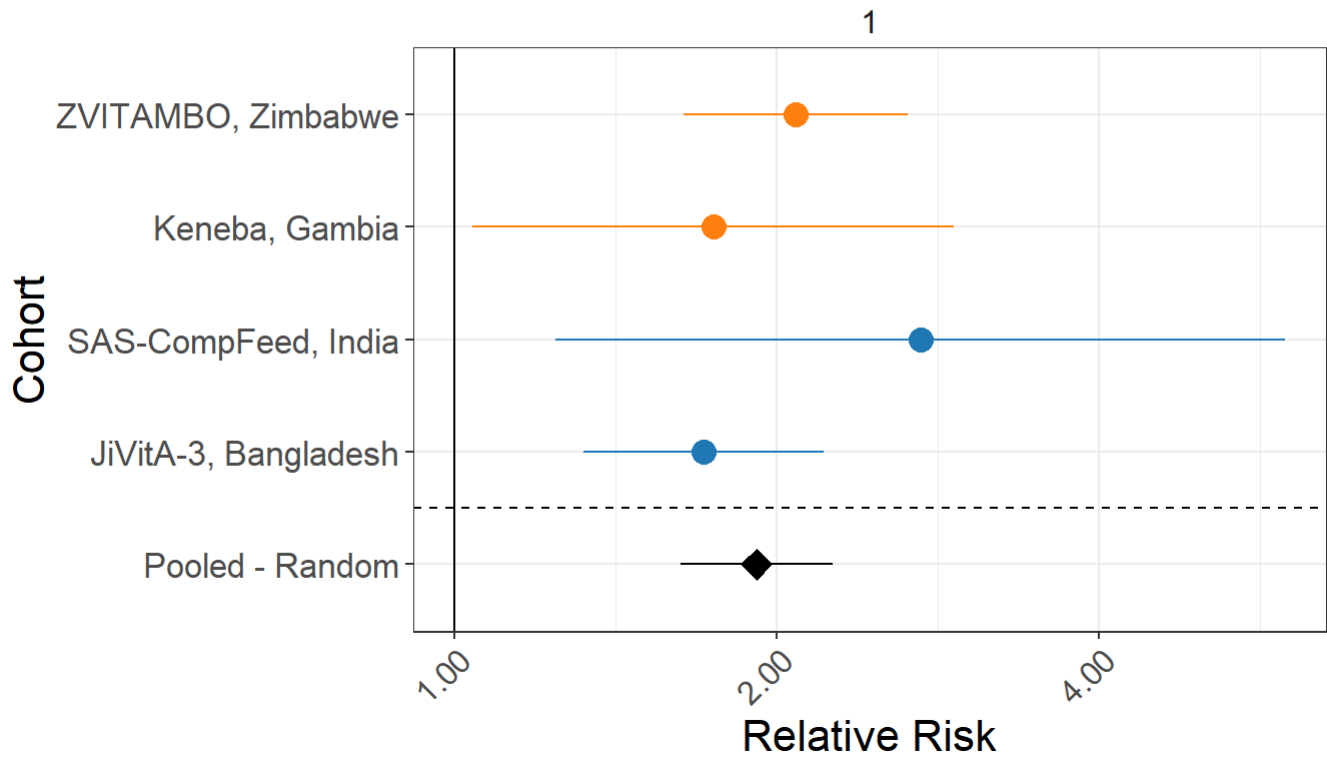

Forest plot of cohort-specific associations
mortality outcome and
ever_stunted024 exposure

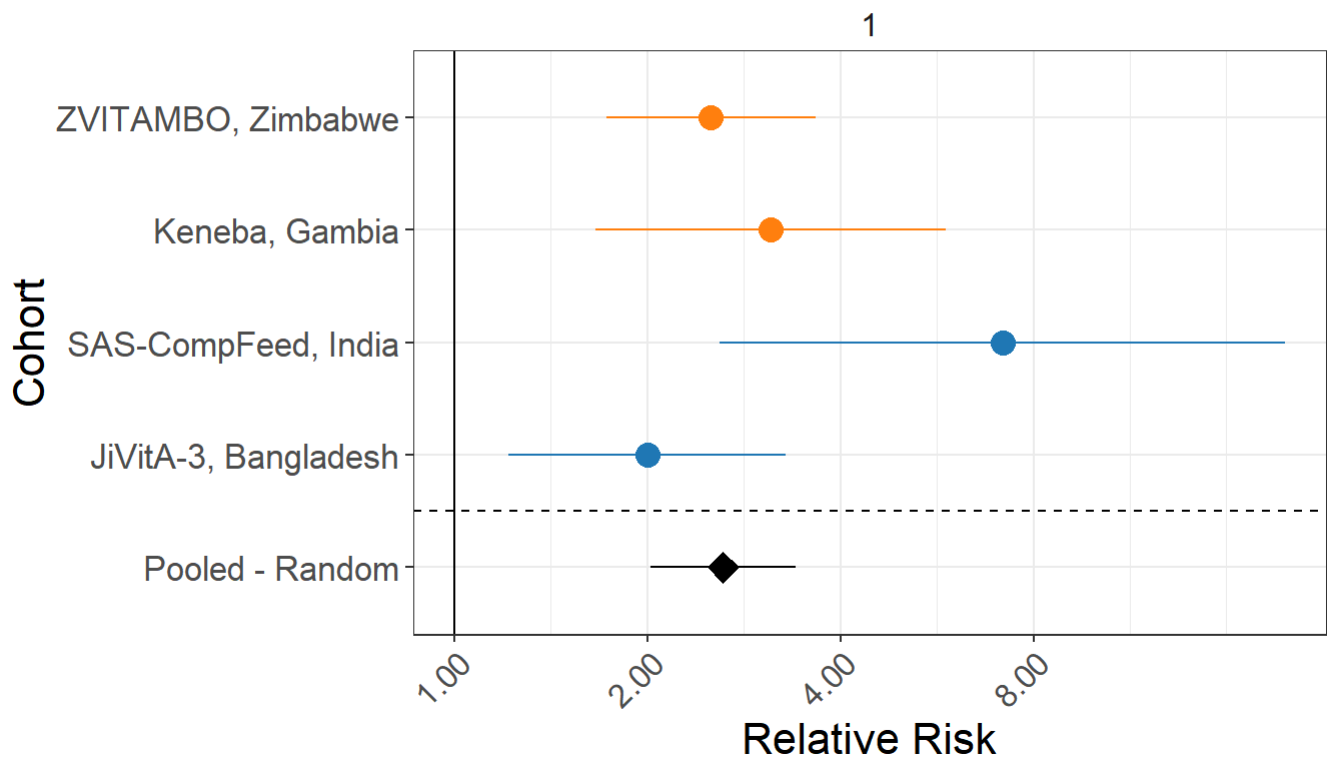

Forest plot of cohort-specific associations
mortality outcome and
ever_sstunted024 exposure

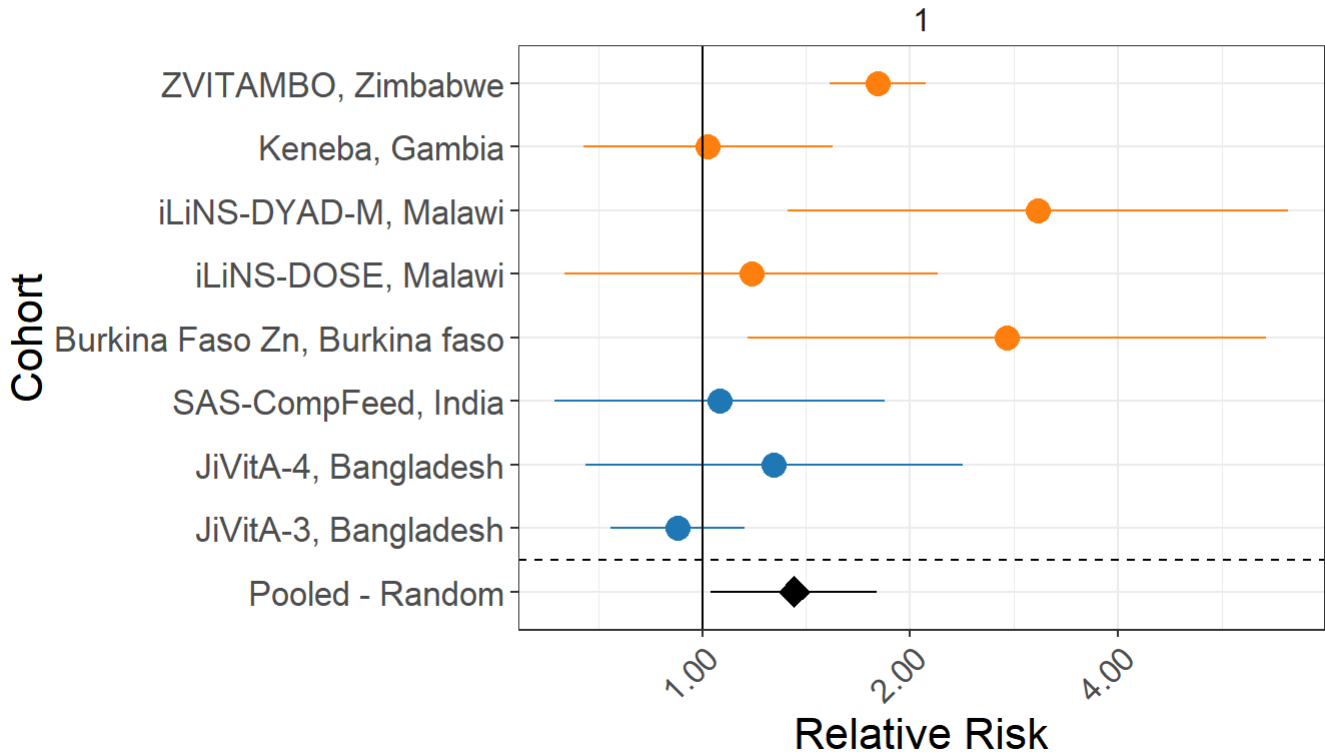

Forest plot of cohort-specific associations for mortality outcome and ever_wasted06_noBW exposure

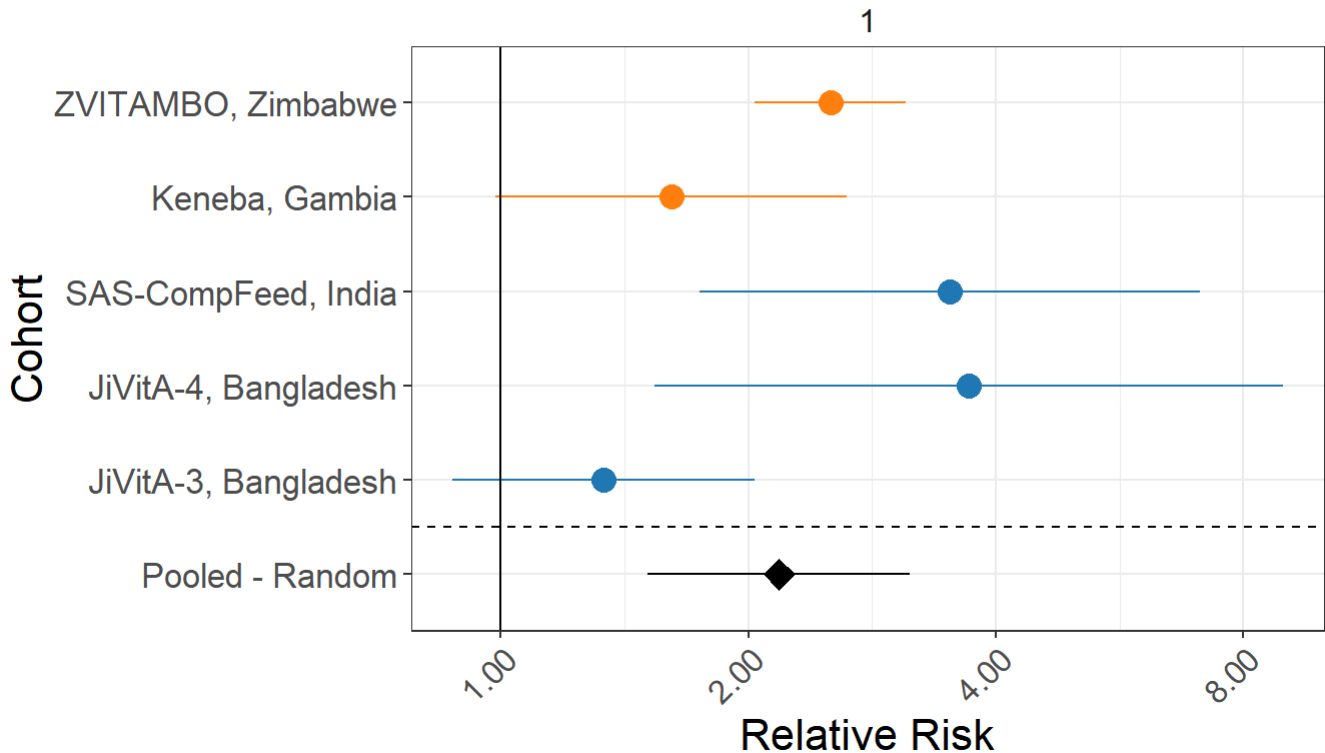

Forest plot of cohort-specific associations for mortality outcome and ever_swasted06_noBW exposure

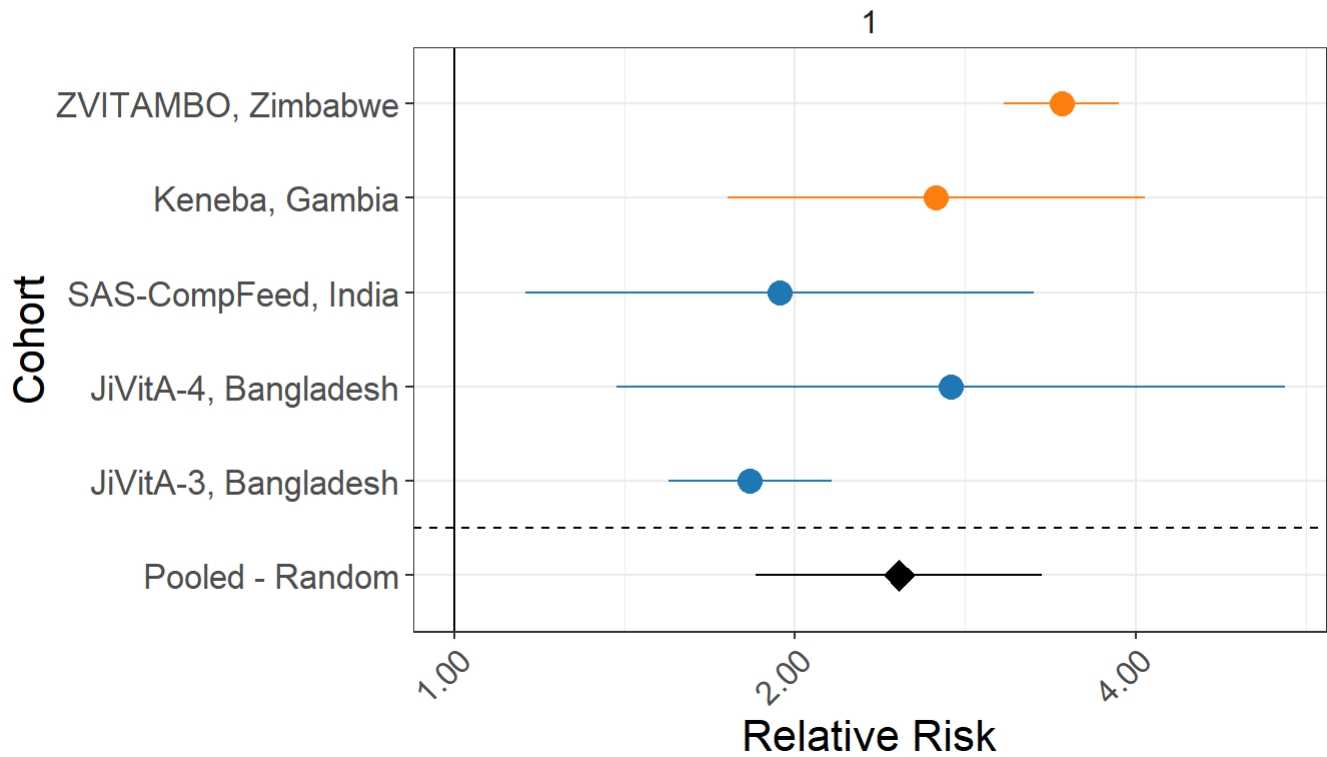

Forest plot of cohort-specific associations
mortality outcome and
ever_wasted024_noBW exposure

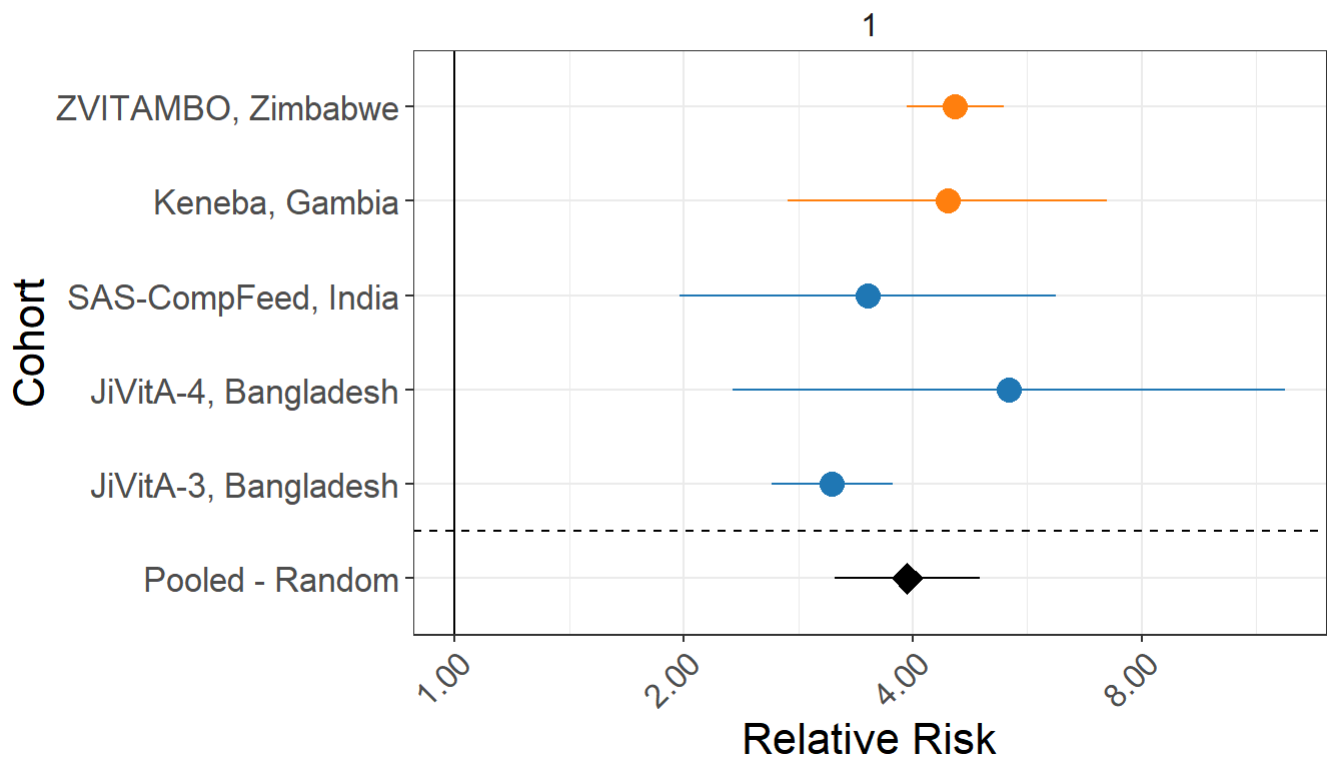

Forest plot of cohort-specific associations for
mortality outcome and
ever_swasted024_noBW exposure

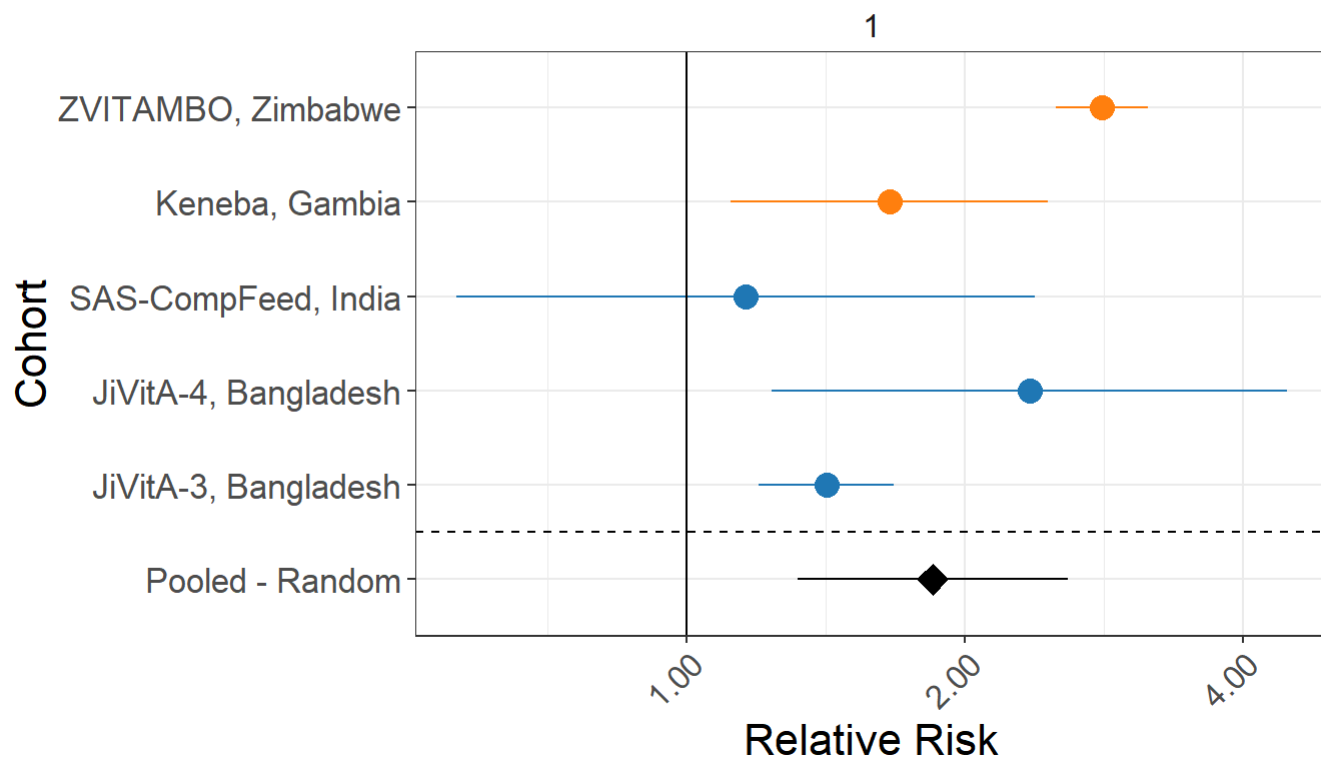

Forest plot of cohort-specific associations for mortality outcome and ever_underweight06 exposure

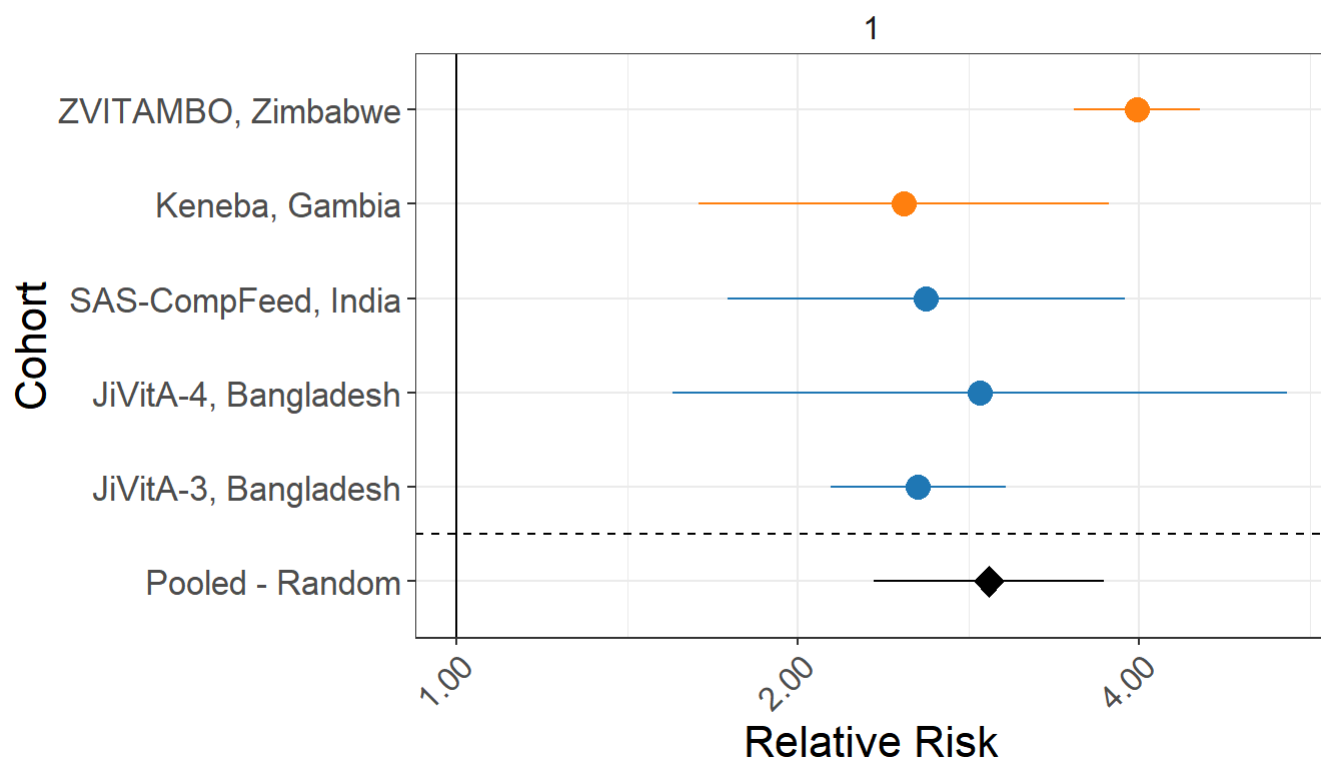

Forest plot of cohort-specific associations for mortality outcome and ever_sunderweight06 exposure

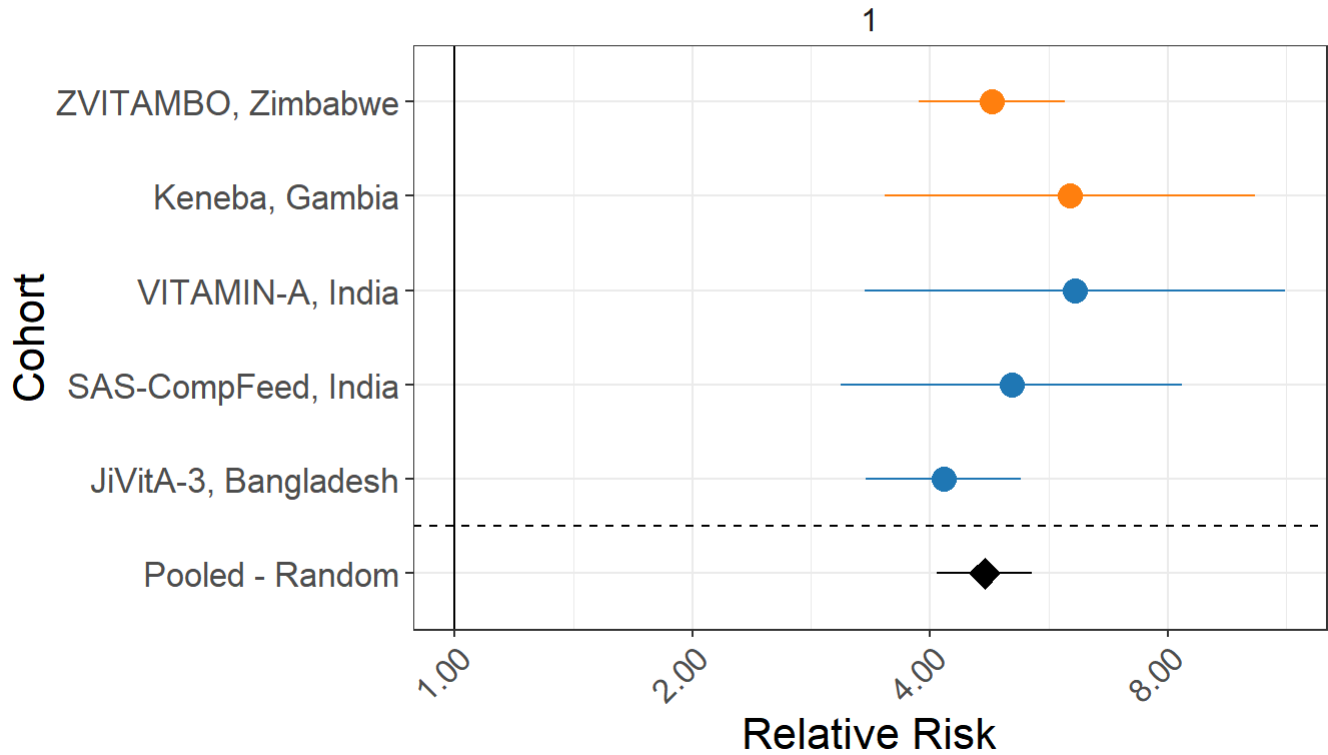

Forest plot of cohort-specific associations for mortality outcome and ever_underweight024 exposure

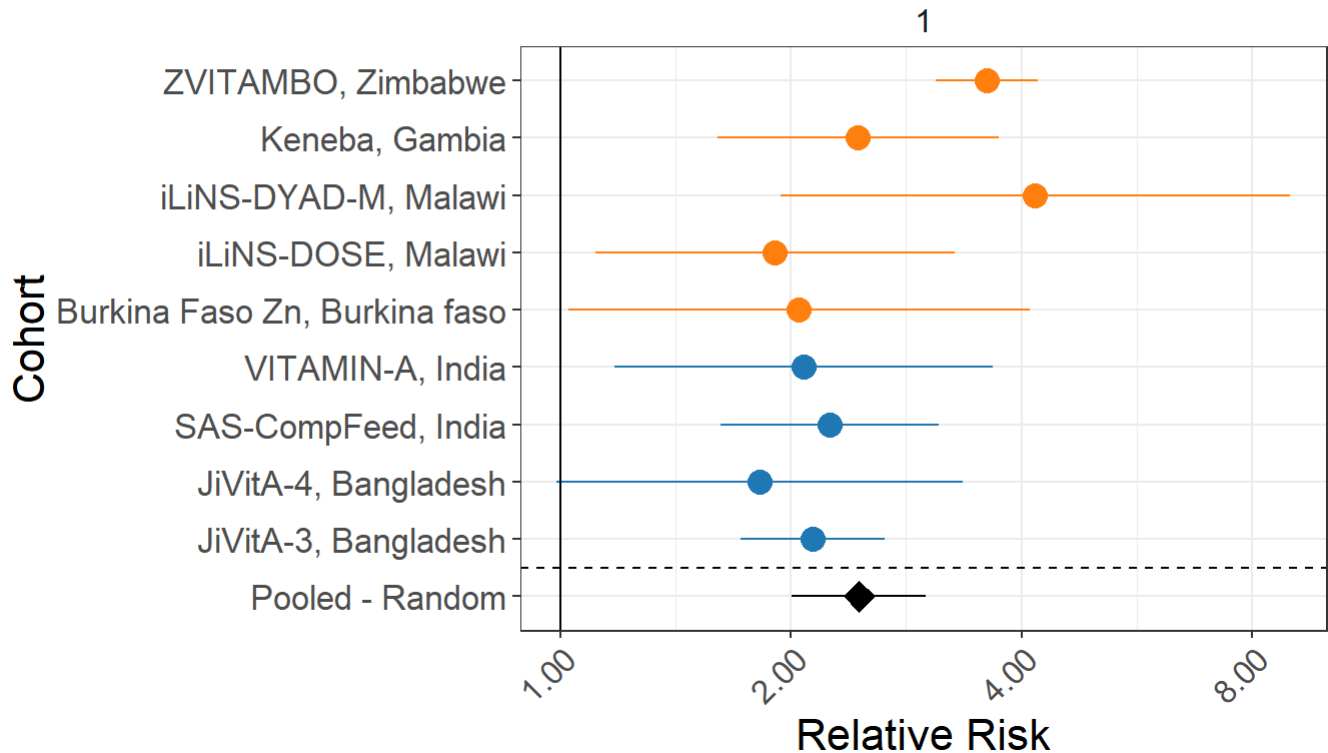

Forest plot of cohort-specific associations for mortality outcome and ever_sunderweight024 exposure

Forest plot of cohort-specific associations for mortality outcome and ever_co06 exposure

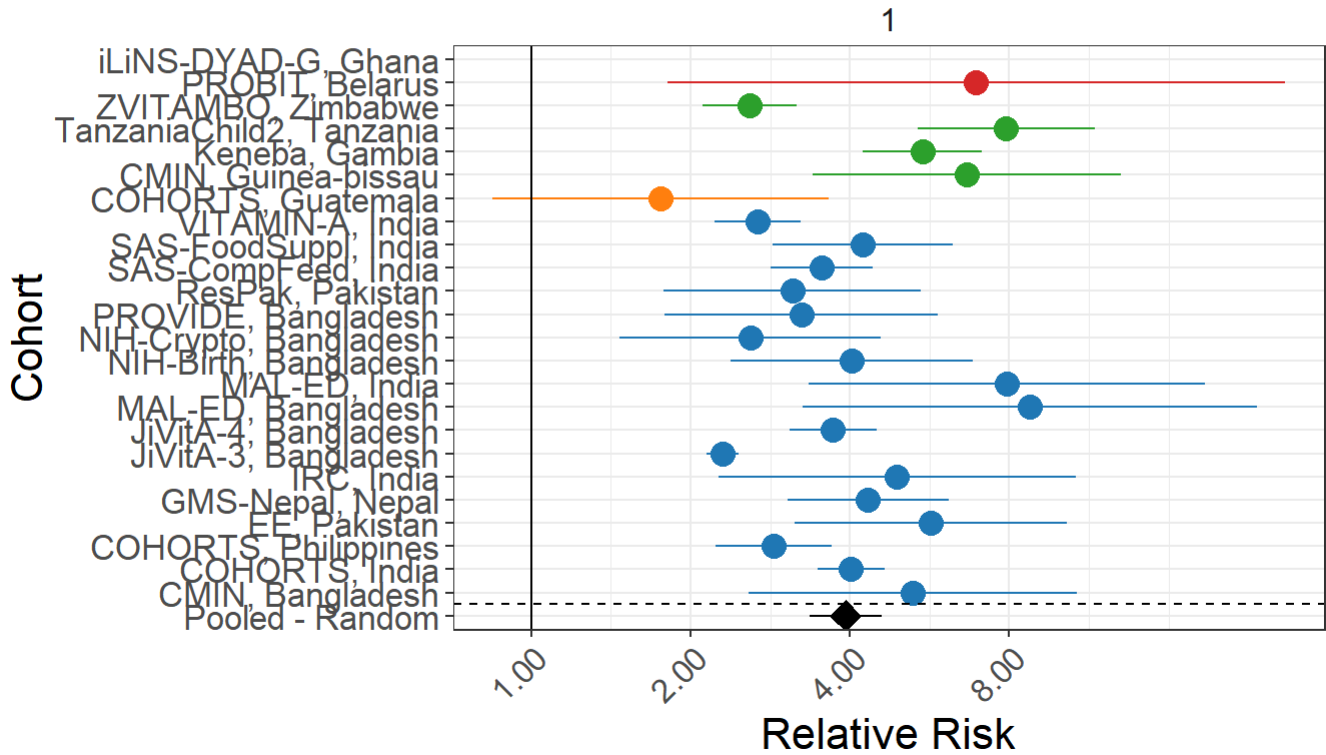

Forest plot of cohort-specific associations for mortality outcome and ever_co024 exposure

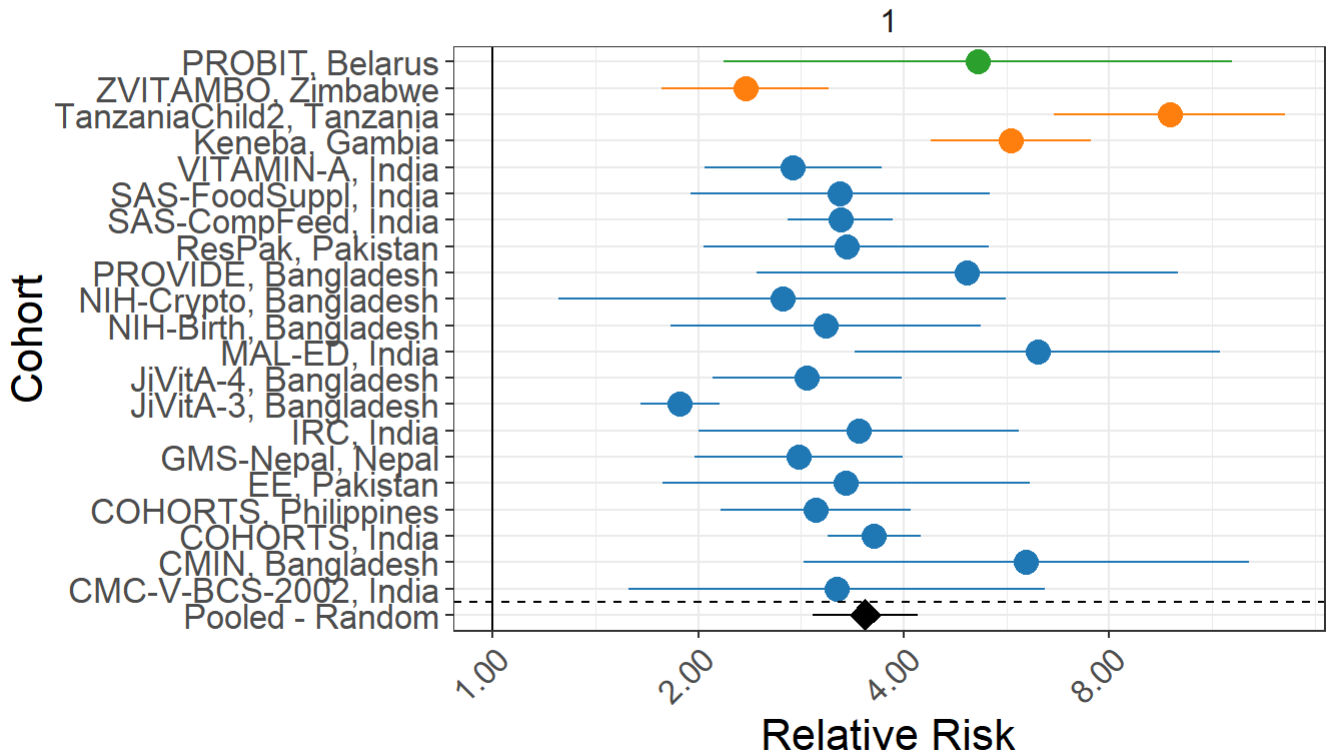

```
## Warning: Removed 1 rows containing missing values (geom_point).
```

Forest plot of cohort-specific associations for
pers_wasted624 outcome and
ever_wasted06 exposure

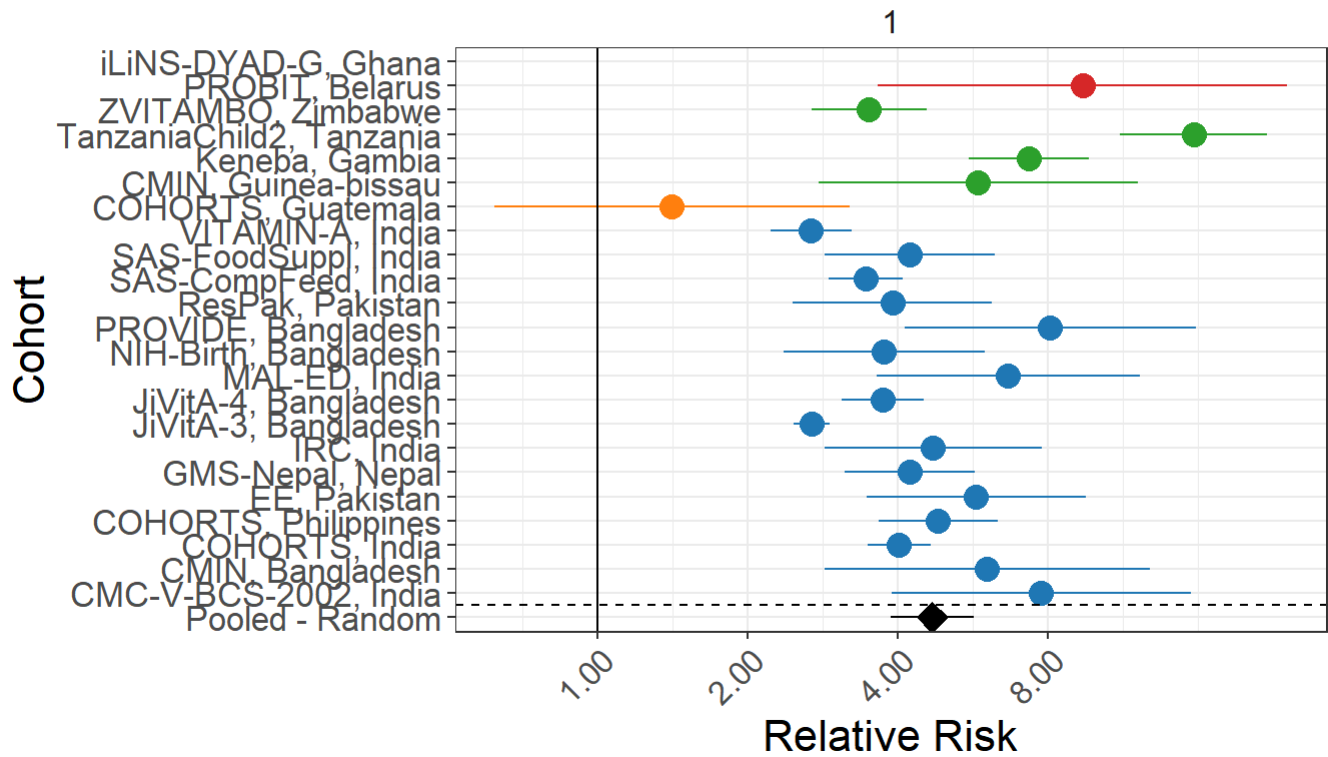

Forest plot of cohort-specific associations for
pers_wasted624 outcome and
ever_swasted06 exposure

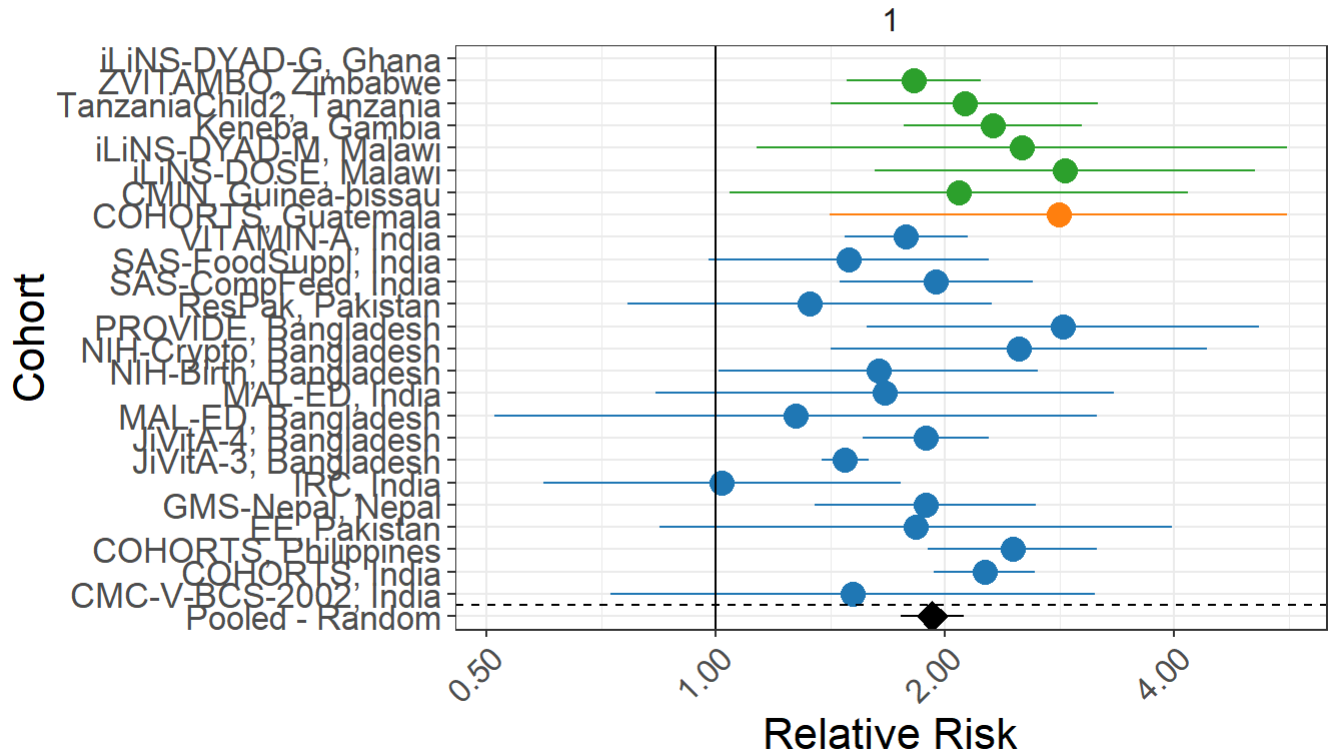

Warning: Removed 1 rows containing missing values (geom_point).

Forest plot of cohort-specific associations 1
pers_wasted624 outcome and
pers_wasted06 exposure

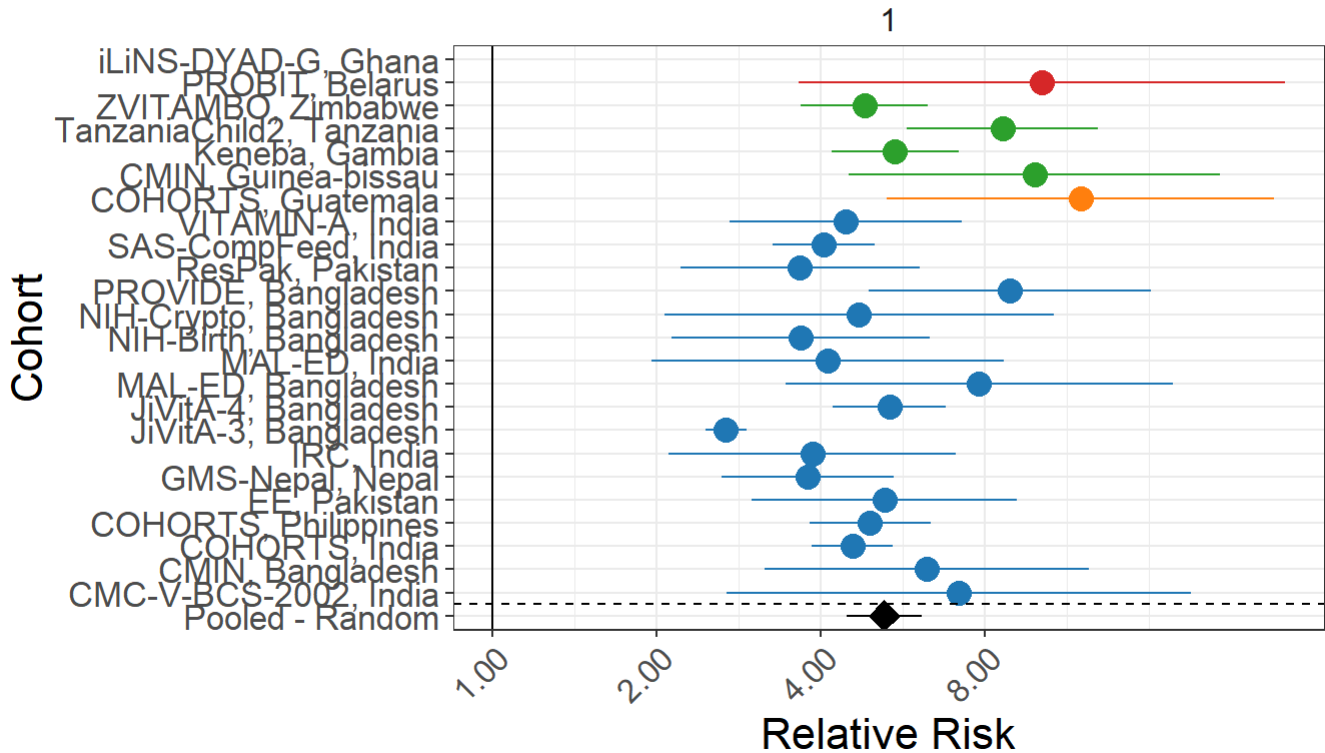

Warning: Removed 1 rows containing missing values (geom_point).

Forest plot of cohort-specific associations for pers_wasted624 outcome and ever_stunted06 exposure

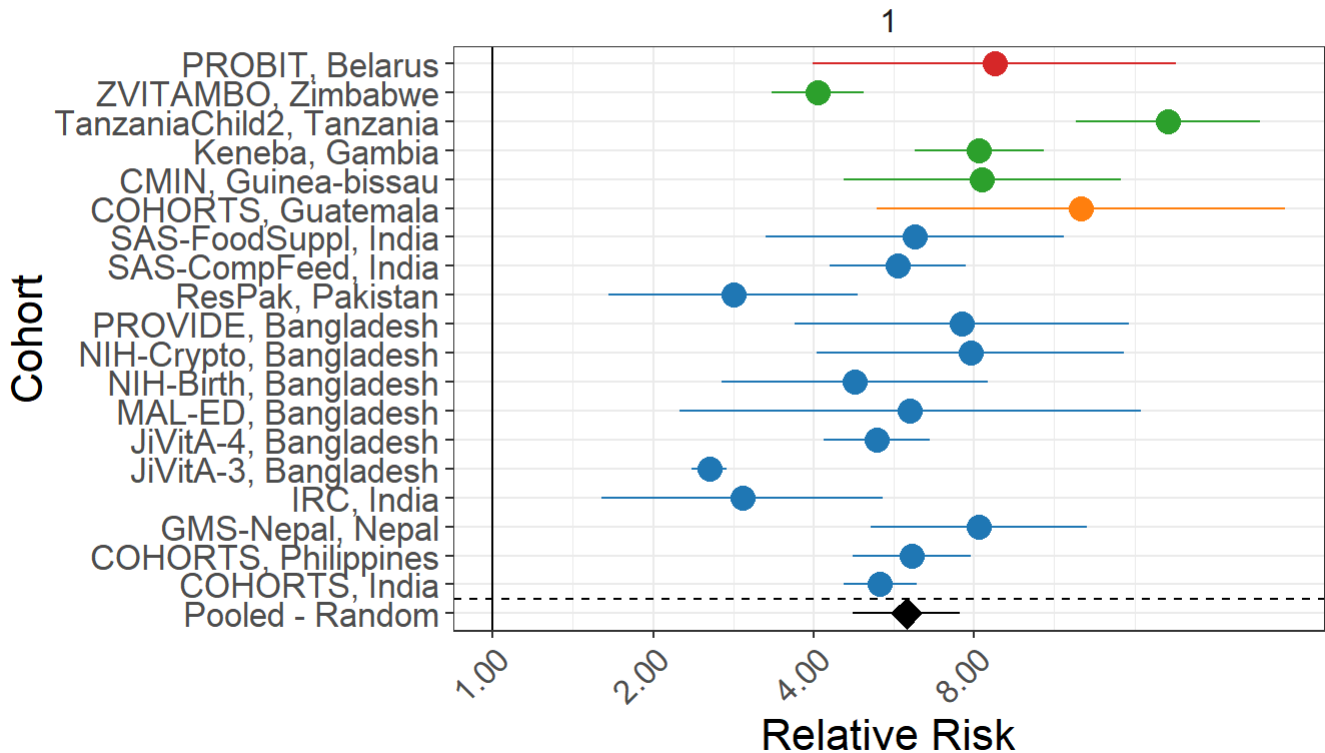

Warning: Removed 1 rows containing missing values (geom_point).

Forest plot of cohort-specific associations for
pers_wasted624 outcome and
ever_wasted06_noBW exposure

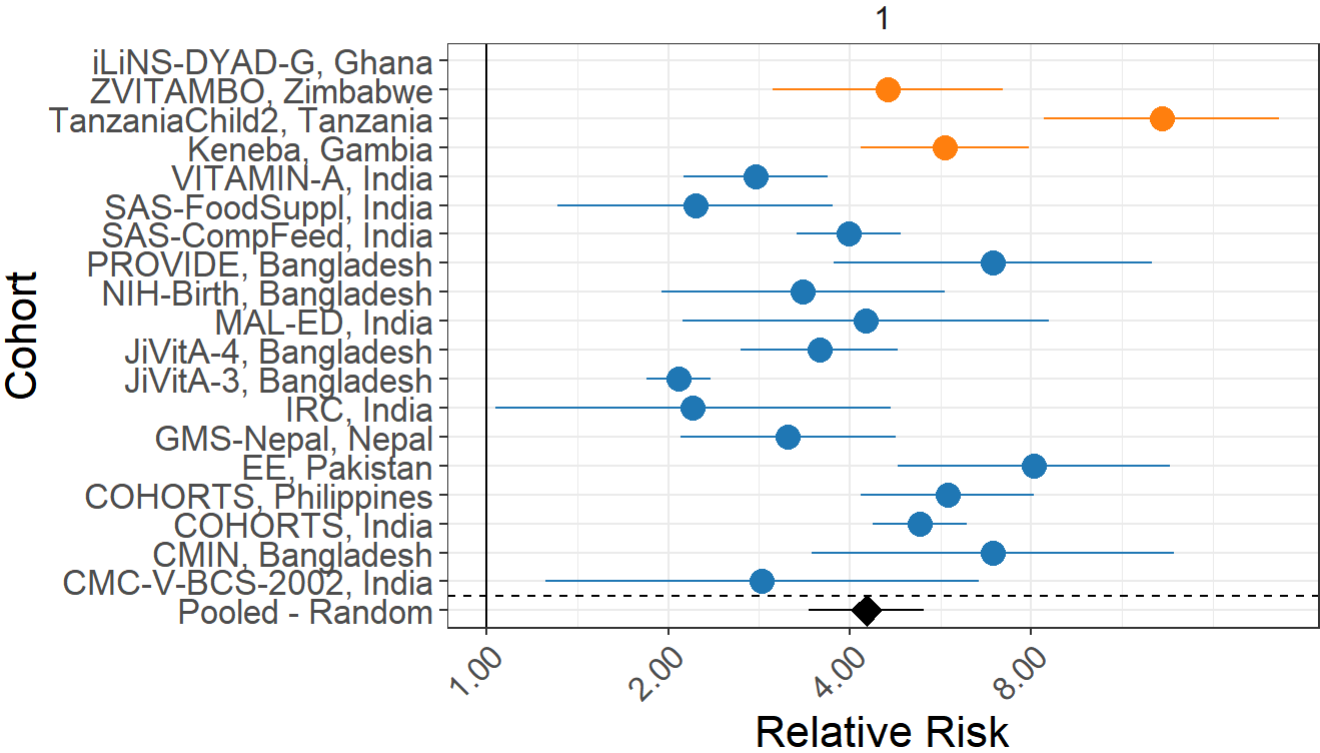

Forest plot of cohort-specific associations for
pers_wasted624 outcome and
ever_underweight06 exposure

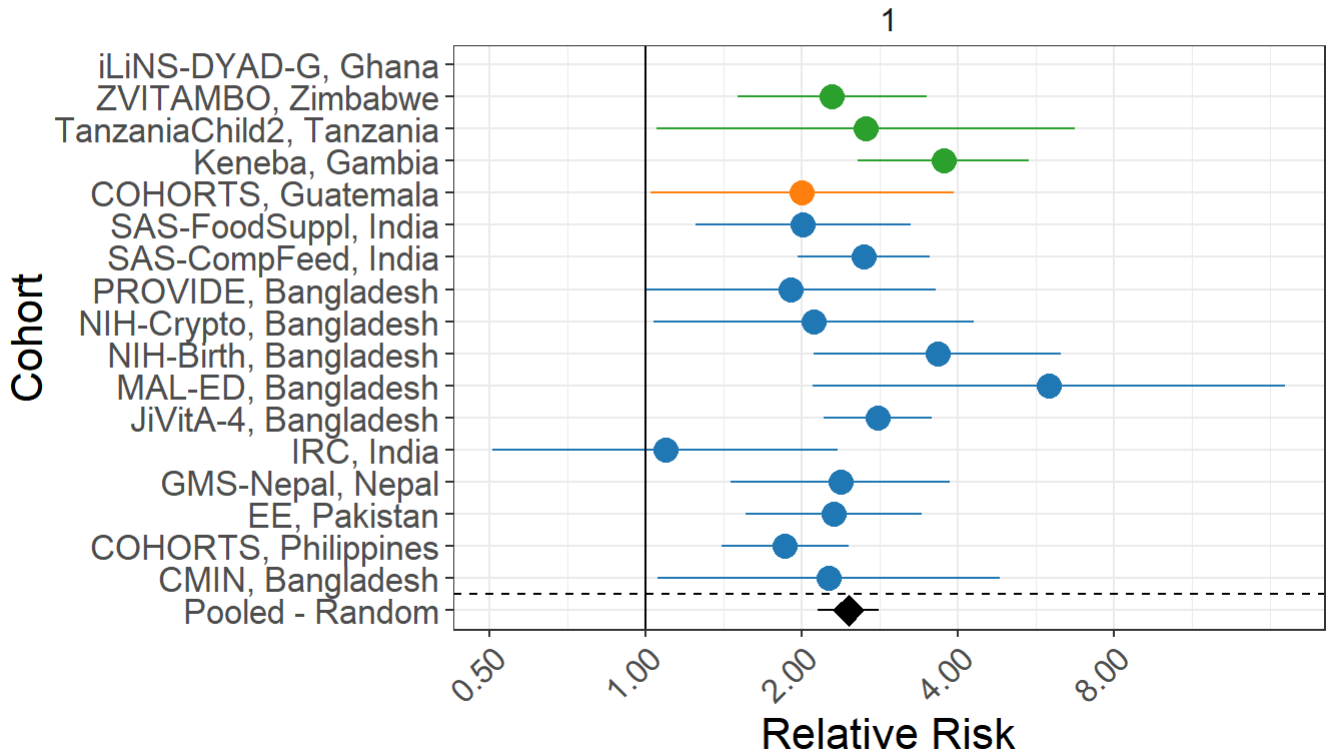

Warning: Removed 1 rows containing missing values (geom_point).

Forest plot of cohort-specific associations 1 pers_wasted624 outcome and ever_co06 exposure

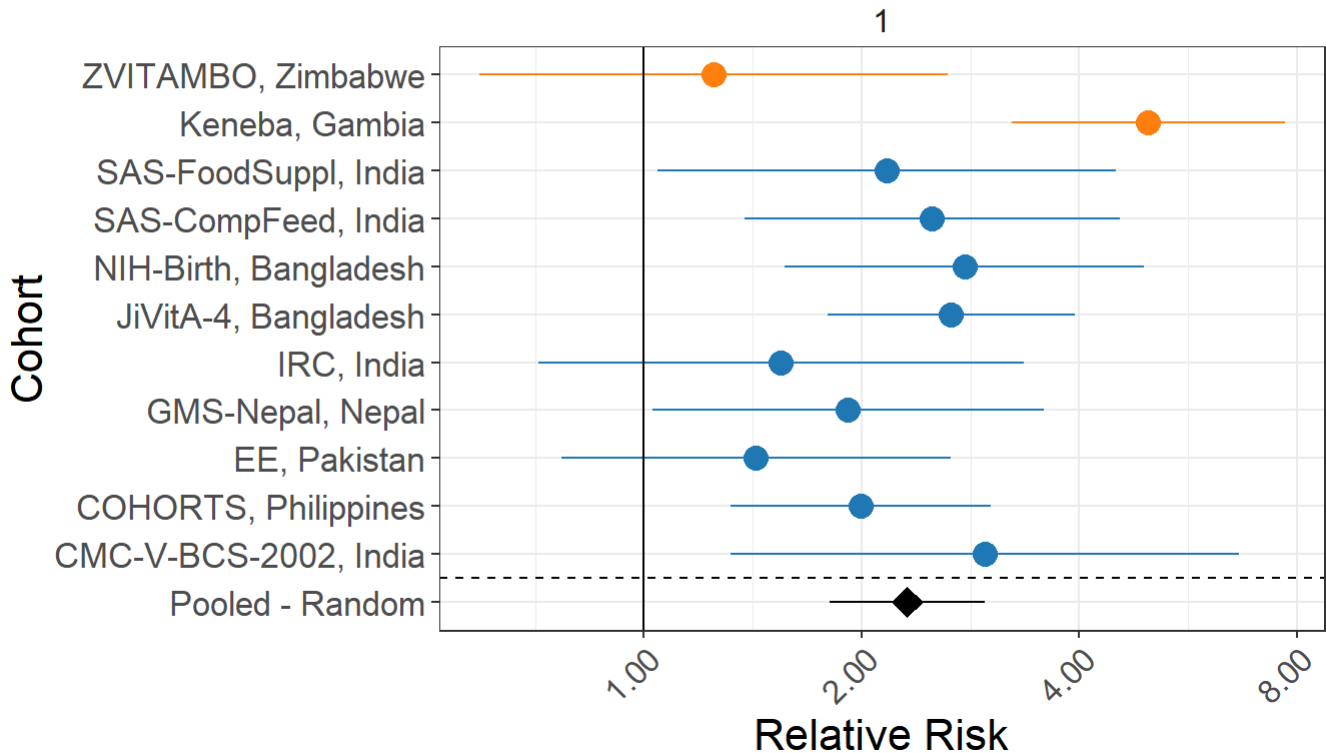

Warning: Removed 1 rows containing missing values (geom_point).

Forest plot of cohort-specific associations f
co_occurrence outcome and
ever_wasted06 exposure

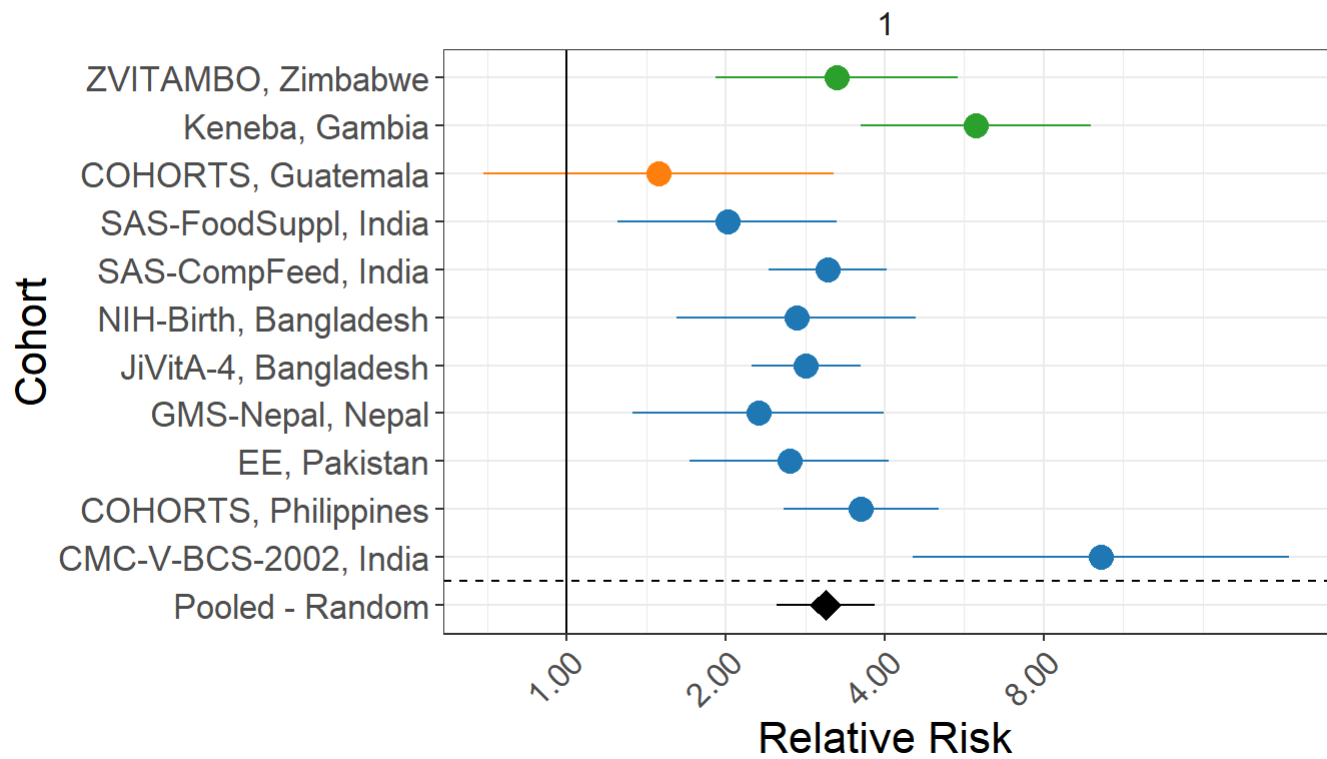

Forest plot of cohort-specific associations f
co_occurrence outcome and
ever_swasted06 exposure

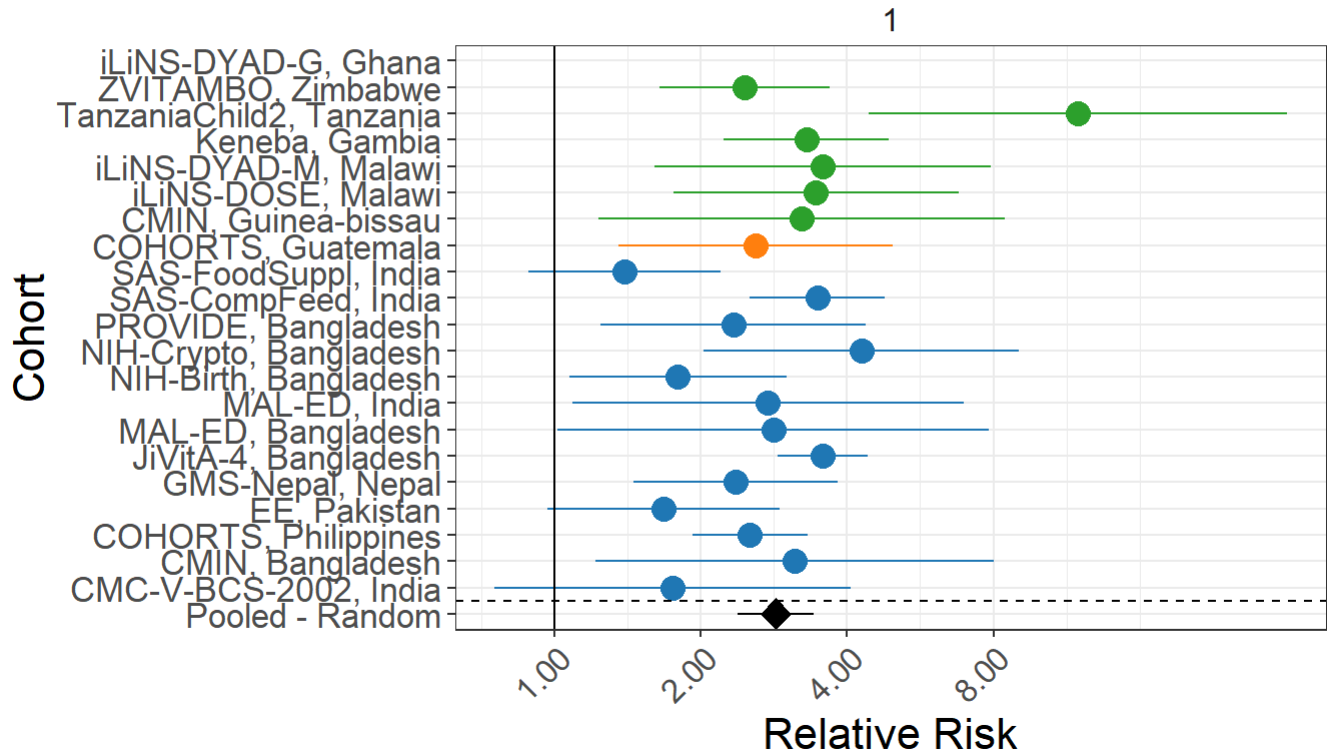

Forest plot of cohort-specific associations f

Forest plot of cohort-specific associations for co_occurrence outcome and pers_wasted06 exposure

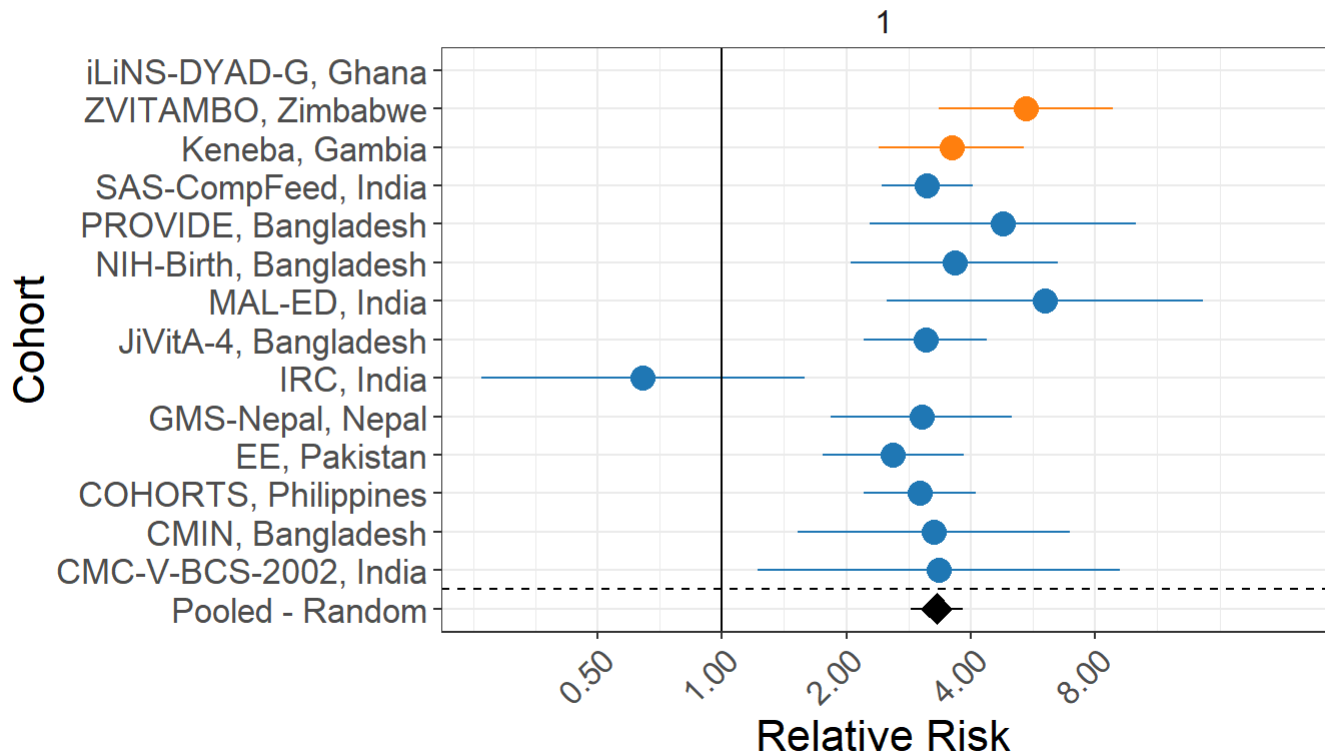

Warning: Removed 1 rows containing missing values (geom_point).

Forest plot of cohort-specific associations for co-occurrence outcome and ever_stunted06 exposure

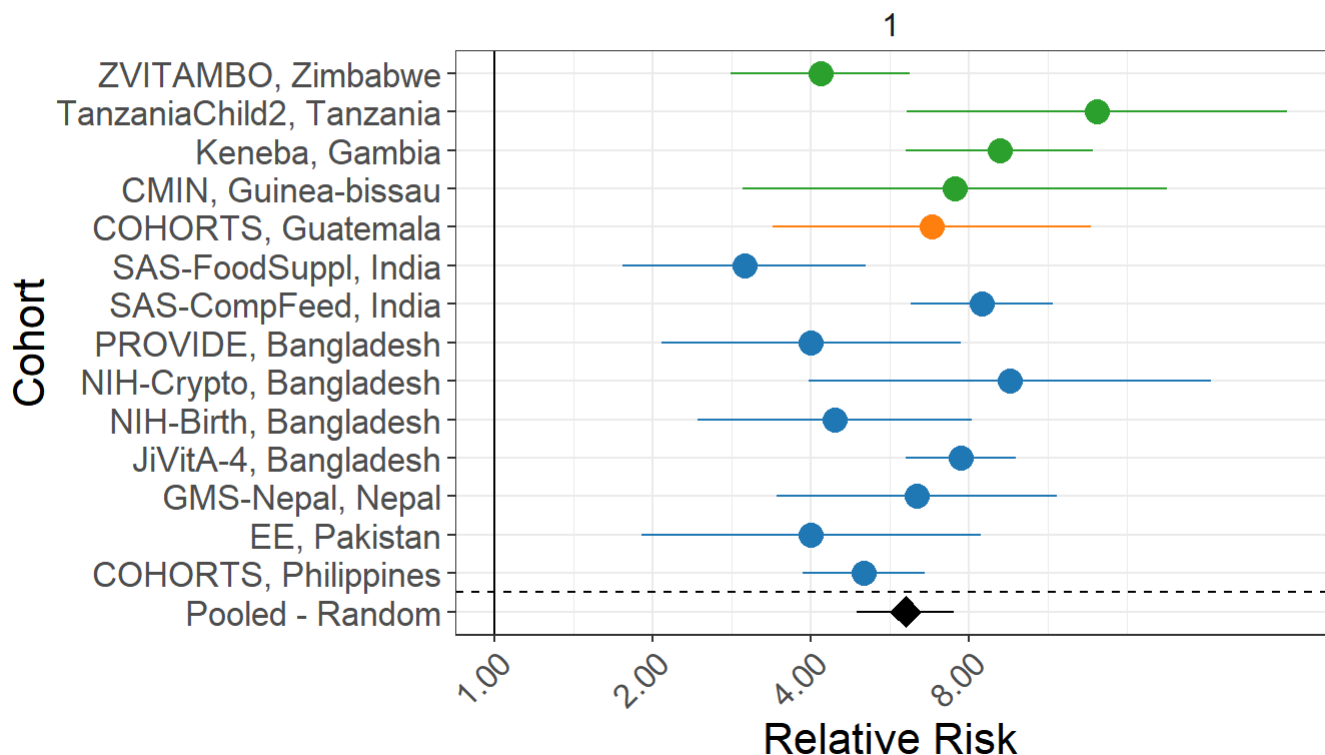

Warning: Removed 1 rows containing missing values (geom_point).

Forest plot of cohort-specific associations f
co_occurrence outcome and
ever_wasted06_noBW exposure

Forest plot of cohort-specific associations f
co_occurrence outcome and
ever_underweight06 exposure

Forest plot of cohort-specific associations f

Forest plot of cohort-specific associations for co_occurrence outcome and ever_co06 exposure
